Summary of reasons for decision:

The computer image file printout is deemed objectionable because it promotes and supports the exploitation of children or young persons for sexual purposes.

The image explicitly two boys engaging in sexual activity. The purpose of the image is to titillate or arouse adults with a sexual interest in children or young persons. The image encourages this sexual interest and perpetuates the idea that children and young persons are available for adult sexual use.

The classification of this publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention and is a reasonable limitation on the freedom of expression. The classification reflects the concern of a free and democratic society to protect its young and vulnerable members from sexual exploitation.
